WHAT'S NEW

The Coordinating Center's mission to support people in the community to achieve their

aspirations for independence, health and meaningful community life, is aligned with the goals of the Maryland Health Services Cost Review Commission (HSCRC), hospitals and healthcare systems which are focused on population health, improving health outcomes, and reducing health care costs.

The Center is excited to announce that it is the first state-wide, nonprofit care coordination agency to be part of two regional partnerships-Nexus Montgomery Regional Partnership and the Bay Area Transformation Partnership—that is funded by the HSCRC for System Transformation.

The Coordinating Center partners with organizations to deliver quality, person-centered care coordination to individuals of all ages and abilities. Learn more about what The Center is doing to help individuals achieve their aspirations for independence, health, and meaningful community life:

The Family Resource Fund helps individuals successfully live in the community of their choice. Alex is just one of the individuals the fund has recently helped.

"Thank you so much for funding a portion of Alex's wheelchair. Without this, Alex would not be able to do his two favorite things—ride the school bus and go to school." - Alex's Family

PROGRAM SPOTLIGHT: HOUSING & SUPPORTIVE SERVICES

The Coordinating Center's Housing and Supportive Services division provides expertise in helping individuals locate, secure and maintain safe, affordable and accessible housing opportunities in the community of their choice.

The Center's Housing Team supports individuals who are in long-term nursing facilities, people facing housing instability and those who are experiencing homelessness.

Over the last five years, The Center has helped over 600 individuals move out of nursing facilities and into the community.
