700 N Calvert St, Baltimore, MD 21202**

**Honoring Karen-Ann Lichtenstein**

Karen-Ann has been a fierce advocate for people with disabilities for more than four decades, and has played a critical role in the development and success of The Coordinating Center over the past 34 years. Under Karen-Ann's nearly 25-year tenure as President/CEO, The Center has become a well-respected organization and a place people want to work and receive services. Karen-Ann has created an environment where coworkers are respected, their work valued, and the families and individuals The Center supports are cherished. Many people have vision but do not have the determination and management skills to bring that vision to implementation. Others have the skills, but lack vision. We will miss Karen-Ann and her ability to do both.
