

THE COORDINATING CENTER  
INSPIRED SOLUTIONS

Dear Sir/Madam:

I'm excited to share with you an opportunity to expand your network and support a great cause **"improving quality of life for children and adults with complex medical needs and disabilities."** On Thursday, May 11, 2023, our organization will host its 5th CenterFlix Gala Fundraiser in recognition of The Coordinating Center's 40th Anniversary! We are very excited to hold this event in person at the American Visionary Art Museum in Baltimore. **100% of net proceeds benefit our clients directly through our Family Resource Fund!**

**Will you help us raise critical dollars for our Family Resource Fund by donating a prize to our auction or raffle?**

The mission of The Coordinating Center is to partner with people of all ages and abilities and those who support them in the community to achieve their aspirations for independence, health and meaningful community life. Since 1983, we have been committed to full community inclusion for people with disabilities. Today, we support more than 9,200 children and adults with disabilities across the state of Maryland. The majority of our clients have very low incomes and rely heavily on Medicaid and other public programs for support. The Coordinating Center helps clients afford critical items that they cannot live without, and other resources that help improve a person's quality of life. We are able to do this through our Family Resource Fund.

Enclosed is information about The Coordinating Center, and our upcoming event. I hope you will join me in supporting the disability community by donating an auction prize. For more information you can contact me at **410-987-1048 ext. 2350** or **rdain@coordinatingcenter.org**.

Sincerely,

Renée Dain  
Sr. Vice President, Strategic Partnerships & External Affairs

*"Thank you for all your help. If it wasn't for you, I wouldn't have been able to get my medication. I would be in a hospital, nursing home or worse." – Colleen*

*"Thank you so much for funding the transit system on Alex's wheelchair. Without this, Alex would not be able to do his two favorite things — ride the bus and go to school. We thank you." – Alex's Family*

*"We would love to thank you for our beautiful new Hoyer lift. We cannot thank you enough for your thoughtfulness. It's such a blessing to us." – Alexis*

*"Without the Family Resource Fund, I am not sure when my son would have gotten the dental treatment he needed. I have been unable to work for a while and barely making it with the money I receive. So, I am extremely grateful." – Elizabeth*
