# Where the money goes:

Your contribution truly makes a difference! When a client is in need of assistance, our highly skilled coordinators seek low- to no-cost resources to meet the need. The Coordinating Center's Family Resource Fund is used only as a last resort when no other support is available.

The Family Resource Fund supports children and adults with disabilities and complex medical or social needs, adults experiencing homelessness or housing insecurity, chronic conditions and/or frequent hospital encounters, many of whom are impacted by social determinants of health, such as food insecurity and unemployment.

**Examples of Vital Services and Supports Funded by the Family Resource Fund:** 

Adaptive medical equipment

Assistive technology

Dental and vision care

Rapid rehousing and critical housing services

Medical supplies including pharmacy, eyeglasses and hearing aids

Respite, including summer camp

With nearly more than 9,200 clients year-round, it is critical that we grow this fund. 100% of net proceeds will benefit the Family Resource Fund.
