

Join the Coordinating Kindness Rock Project!

Paint. Hide. Inspire. Support families in need.

The **Family Resource Fund** helps clients and families with urgent needs not covered by other resources — like medical supplies, clothing, and transportation. Your creativity can help spread awareness and support!

1.

Paint a Rock

Add a message of hope, encouragement, or joy. Be creative!

2.

Label It

Include this message on the back of your rock:

You found a Coordinating Kindness Rock!

3.

Seal It

Use a finishing spray or mod podge to seal in the paint and sticker.

4.

Hide It

Leave your rock in a public place — like a park, sidewalk, or trail — for someone to discover.

5.

Share It

Take a photo, tag @TheCoordinatingCenter, and use #CoordinatingKindness so we can follow the journey!
